* Exact aluminium mesh colours are not available for some popular COLORBOND® colours. In these instances, Blue Mountain Mesh provide componentry (saddles, trim and screws) in the specified COLORBOND® colour and the aluminium mesh in the closest compatible COLORBOND® colour.

** Only available in 10m and 30m rolls to suit tile gutters and valleys.

Printed colours are representations only and may differ from actual colours.

COLORBOND® and all colour names used are registered trademarks and ™ colour names are trademarks of BlueScope Steel Limited.
